

Sewing & Creative Camp Policies

All of our sewing programs are an independent learning experience. Students can only arrive 5 minutes before the start of camp.

Please speak with the instructor 24 hours before class if you have any questions or concerns about your child's ability to participate in a group setting. Our enriching sewing courses offer a unique opportunity for children to explore their creativity independently. Parents may drop off their children with confidence and peace of mind, knowing that they are in a kind and pleasant environment.
