Age & Activity Guidelines

- All guests **8 years and older** will use sewing machines during the party.
- Guests **under 8 years old** will participate in a **hand-sewing project** specifically designed for their age and ability.
- These age guidelines are in place for the safety and enjoyment of all children and will be strictly followed.

Supervision & Attendance

- Parents of party guests are kindly asked to **drop off and pick up** their child at the designated times.
- The **birthday child's family** is welcome to stay and enjoy the celebration!
- We aim to create a fun, independent experience where kids can explore, create, and build confidence under the guidance of our staff.

Qualified, Caring Instructors

- All of our instructors are **background-checked and trained educators** who are passionate about teaching sewing in a kind, safe, and encouraging environment.

Independent Learning Environment

- Our parties are designed to foster creativity, confidence, and hands-on learning.
- If you feel your child may need extra support to participate in a group setting, please **contact us at least 24 hours before the event** so we can discuss how to best accommodate their needs.

Inclusivity & Safety

- We strive to create an inclusive, welcoming space for every child.
- However, **final participation decisions** are at the discretion of the studio owner and are made with safety and liability in mind.
Rest Assured—your child will be learning, laughing, and creating in a respectful, nurturing, and supervised environment that encourages growth and imagination.
